

Internal Quality Assurance Cell (IQAC)

VISION

To foster quality culture by defining realistic quality criteria in academic activities and instilling the Institute vision.

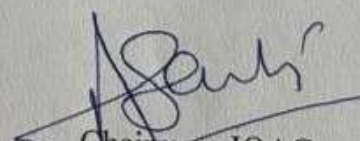

MISSION

1. **To establish and implement transparent, measurable, and realistic quality benchmarks for all academic, administrative, and support activities of the institute.**
2. **To promote continuous improvement and excellence through systematic monitoring, assessment, feedback, and quality assurance practices.**
3. **To encourage innovation, accountability, and best practices in teaching-learning processes, research, and student development activities.**
4. **To ensure compliance with accreditation and regulatory requirements while continuously enhancing institutional effectiveness and academic standards.**

QUALITY POLICY

Continuously monitor, review, and improve institutional processes to achieve sustainable growth and academic excellence

Chairman, IQAC
Dr. Abhijeet Auti
