Industrial Visit @CDAC(BRAF) 30/10/26

An industrial visit was conducted to C-DAC (BRAE), Pashan, Pune on 30/10/2026 for SE IT students. C-DAC Pune houses some of the nation's fastest AI-focused and High-Performance Computing (HPC) systems, including AIRAWAT and the PARAM Rudra series, developed under the National Supercomputing Mission (NSM).

The visit also provided insights into BARC, a specialized facility within C-DAC Pune dedicated to computational biology and bioinformatics, highlighting the role of advanced computing in scientific research and national development.
